ENGINEERED CABINETRY

**Exquisitely  
crafted.**

Flawlessly  
functional.

# Every home tells a story. What's yours?

For over 23 years, our dedicated team of expert designers, seasoned project managers and meticulous installers have been creating bespoke spaces inspired by the unique needs and ambitions of our clients. As proud members of the Kitchen Specialist Association of South Africa, we uphold the highest standards of quality, promising only the finest engineered cabinetry with a 24-month guarantee.

We keep up to date on the latest international trends, ensuring that everything we design and build isn't just timeless, but also ahead of the curve.

The result? **Exquisitely crafted, flawlessly functional spaces exclusive to you.**

# Our Services

**KITCHENS**

We believe there's no such thing as one size fits all. As your partner in bespoke engineered cabinetry, our goal is to understand your vision for the perfect kitchen and bring it to life.

**RENOVATIONS**

Modernise your kitchen, bathroom, patio or home office with our professional renovation services. Our talented designers and experienced installers will create up-to-date spaces that stand the test of time.

**WORKTOPS**

Transform your workspaces with our wide variety of granite, quartz, sinter stone, porcelain and other worktops. Some of our key suppliers include Caesarstone, Dekton, Silestone, Eezi Quartz, Enduro Quartz and Neolith.

**CABINETS**

When it comes to our cabinetry, only the highest quality materials and workmanship will do. From state-of-the-art machinery to world-class components, every aspect of our cabinetry is selected for premium craftsmanship and quality.

# Our Process

1

## CHOOSE EUROFIT

Our design consultants are available whenever you are ready. Visit us at our showroom, online, or in person.

2

## CONSULTATION AND CONCEPT

Discuss your vision for your dream home with Eurofit's designers, covering ideas, budget, colors, and materials.

3

## ESSENTIAL INFO

Questionnaire  
Inspiration Images / moodboard  
Budget  
Design needs, colours & materials

4

## INITIAL DESIGNS

We will create a 3D rendering based on your specifications using the latest design software.

5

## QUOTATION

We will send you a quote within 48 hours after you have approved the 3D render. After approval, our factory will produce the design.

6

## FACTORY PRODUCTION

Upon approval of the quote, Eurofit's factory in Honeydew, near Lanseria, will commence production using high-grade materials.

7

## EXQUISITELY CRAFTED. FLAWLESSLY FUNCTIONAL.

Eurofit produces all elements in-house, from cabinets and vanities to worktops and more, turning your dream into reality.

8

## OUR DESIGN. YOUR STORY.

Enjoy the experience of living in your uniquely bespoke designed space by Eurofit.
